Dear Ms. Herman,

Thank you for your letter addressed to the High Commissioner for Human Rights received on 17 September 2021, highlighting freedom of expression issues in Ukraine.

I have shared your letter and concerns with our Human Rights Monitoring Mission in Ukraine, which closely follows and assesses developments impacting freedom of expression such as the sanctions imposed by the Government. The Mission also documents threats and attacks against journalists and other media professionals. Our findings regarding freedom of expression and of the media are published in OHCHR reports on the human rights situation in Ukraine. The 32nd such report was published on 23 September 2021 and will be presented to the Human Rights Council on 5 October 2021.

I encourage you to raise any other human rights concerns with our Mission in Ukraine.
